SCOTLAND V HUNGARY AT IBROX PARK.

~~Only~~ About 20,000 people ~~walked to the stadium~~ turned up for the Soccer International between Scotland and Hungary which was played at Ibrox Park in dull and threatening weather. The pitch was greasy, and though the visitors had the wind behind them, Scotland attacked from the ~~start~~ start. In the first 18 minutes, Walker opened their score from a penalty kick. A few minutes later, Black shot into the net from 25 yards. This was followed by yet another goal, the halftime score being Scotland 3, Hungary nil. After change of ends, ~~then~~ the Hungarians pulled their forward line together, and scored a fine goal. The game ended in a win for Scotland, 3-1.
