

KINGSLEY WOOD.

520

Hatfield --- Sir Kingsley Wood looked in to inspect an airliner of the future. It is a Blamingo --- designed to carry about 17 passengers on long international flights. The Air Minister ended his visit by getting into a training machine and working the controls. Luckily he's not one of those Ministers who don't know which way to turn.

L.C.C. CHAIRMAN.

London --- Mrs Evelyn Lowe has been elected Chairman of the L.C.C. She is the first woman to hold this important office -- and it marks another great stride forward in woman's position in public life. How do you feel about it, Mrs Lowe?

Have you been Chairman of any of the Committees?

*Answer*

SIAMESE WEDDING.

Westminster --- Miss Mani Bamog was married at Caxton Hall during the London snowstorm. The bridegroom was Siamese Prince Chirasokti, brother of Racing Motorist Prince Bira.

REFUGEES IN AUSTRALIA.

Sydney --- the ship Acurangi brought to Australia 63 refugees from Germany and Austria. Some have preceded them --- others are to follow. In gratitude for the sanctuary offered them by the Commonwealth they have declared their intention of becoming good Australians.... and in that spirit Australia bids them welcome
