SCOTTISH PREMIER'S MIDNIGHT MATINEE.

They held a great midnight matinee in Glasgow under distinguished patronage on behalf of Earl Baldwin's Fund for Refugee children. Many well-known people were present including Lord Inverclyde, Mr and Mrs Green, Sir Cecil and Lady Weir, the Rev McKenna and the Lord Provost and Lady Dollan. The Lord Provost personally received many of the artistes, including such popular stars as Harry Gordon and Jack Anthony. Glasgow has certainly played her part in making a quick and generous response to the urgent appeal for Funds made by the ex-Premier of Britain.
