CHELSEA v SHEFFIELD WEDNESDAY.

A packed ground at Highbury for a Fifth Round Replay --- Chelsea came out first, the last survivors of London in the Cup Ties followed by Sheffield Wednesday hoping to clinch another victory for the north. It was brilliant sunshine when the game started --- one of those wonderful days that have strayed from spring to lighten the burden of winter.

This was a fast and vigorous game --- ~~the stripes of the Sheffield men were conspicuous dodging about to stem the Pensioners attacks and in the first half the Londoners seemed to have made of their own~~ First blood came to Chelsea fifteen minutes after the start. A forward movement sent the ball to Burgess who came in at inside left for Argue --- Burgess beat Smith in goal and that was one nil. Both saw the kick of Sheffield attacker

Before half time Chelsea broke through again --- Smith had no chance when a hot one from Payne made it two nil.

Chelsea added one more before the whistle and that came again from Burgess --- Astley the Sheffield back tried to save but it was already over the line. Chelsea three Sheffield nil. The Wednesday men fought back gallantly to save the situation and scored one through Fallon --- but the final score was 3 - 1. Well done Chelsea --- Hard luck, Sheffield.

Then Sheffield pressed again, but ~~Smith~~ just failed to score
