

BALLOONS AND SYDNEY MILITIA.

What is everyone looking at? The steady glare of the x searchlights on upturned faces tells you there's something doing in the A.R.P. Let us take you travelling ~~xxxx~~ ~~xxxxxxxxxxxxxxxx~~ like a moth up a searchlight's unwavering beam --- it's the balloon barrage. Just to remind you that you might feel like doing something about it the Air Ministry flies them in the floodlight over London

New South Wales too has a floodlight drive. Volunteer defenders of the Commonwealth paraded through the streets of Sydney ~~one of the most spectacular shows the city has ever seen.~~ *Lord Gowrie, the Governor General, took the salute.* A march by night to arouse public interest in the need for recruits for the militia ~~Lord Gowrie the Governor General took the salute.~~ Applause next for the New South Wales Scottish

Field batteries, tanks, anti-aircraft guns --- all demonstrate the unity of this our Empire. The march was made to attract recruits --- and here they are! Young blood of Britain overseas, gives proof to those who need it that this Empire in its strength will maintain peace.
