

LEBRUN AT GUILDHALL.

546

In this historic home of civic London the Duke and Duchess of Kent, the Archbishop of Canterbury and Cabinet Ministers witnessed the presentation of the City's address of welcome in its golden casket to M. Lebrun. And then our cameras recorded the unforgettable scene within the Great Hall where lunch was taken. The Lord Mayor, Sir Frank Bowater --- The Duke of Kent next to Mme. Lebrun. ^{between} M. Lebrun next to the Lord Mayor ^{and the Duke of Kent} ~~the Duke of Kent and the Archbishop of Canterbury~~ together. ~~And the Lady Mayoress next to the Duke of Kent~~. A pool of light picks out the brilliant scene like precious stones on a background of black velvet.
