IRISH CUP FINAL.

30,000 Cup Tie fans crowded to Dalymount Park for the Irish Cup final between Shelbourne and Sligo Rovers. The Rovers took the field first. They are the team ~~in~~ in light shirts. / Shelbourne in dark shirts. / Then it was the little mascot's turn to take the field. / The mascots of both teams presented lucky emblems to the captains. / It was a day of somewhat ding-dong football, ^{with} ~~and~~ ^{not that is} ~~nothing much happened~~ ^{until} Dixie Dean- the ex-Everton Captain, scored for Sligo. But this was disallowed for being offside. / Then play went on much in the same strain, neither side breaking down the others defence. / Eventually Dixie Dean scored for the Rovers, giving them a one goal lead. / It ~~looked~~ looked as if the game would end with a win for Sligo, but in the second half Shelbourne scored through Smythe, who found the net and thus equalised ~~for~~ with the Rovers. / And so the large Cup Final gate had to be content with a draw of I-I in this closely fought out match.
