WHITSUN HOLIDAY . (New York World's Fair)   (2)

hours.   A happy feature of the event this year was the brilliant

sunshine which poured down upon the streets of the great

Lancashire city. /   Come north now, to Scotland.   There is a

procession too in Aberdeen.   Aberdeen has the reputation of

being the city where they manufacture jokes about Scotshmen, but

this isn't meant to be funny.   It's the annual conference of

the Loyal and Ancient Order of Shepherds.   They parade through

the streets and attend a religious service at the West Church of

St Nicholas. Not very much is known in England about the

Ancient Order of Shepherds, but they are thought to be a kind

of Scotch Elk.

      Now we start moving.   Athletics in the British Games at

the White City, organised in connection with the campaign for

National Fitness.   Good times were recorded in all the events

 despite a stiff wind that was blowing throughout the meeting.

Chief interest of the day bentred on the mile, when the world's

recorded miler, Sydney Wooderson, attacked his own wonderful time.

In a field of twenty-seven Wooderson led all the way; he was

in a world of his own where only champions live, for none of the

others could live with him. Wooderson didn't crack a new record

but his time of four minutes seven point four came within a

second of it.
