

DOVER CLIFF FALL. ✓

617

The railway line between Dover and Folkestone was completely blocked when a large section of cliff collapsed near the Shakespeare Cliff Tunnel. Fortunately there was no traffic there ~~at the time~~ and the cliff-watching patrol gave the alarm in time to prevent any accident.

NAZI BOMBERS. ✓

Another Nazi victim of the Royal Air Force in France --- a Dornier brought down by a British fighter. Among the shattered ~~debris~~ equipment was a massive-looking camera for use on those photographic raids. ^{would you like to meet} ~~the~~ the R.A.F. man who did the job? ~~was it?~~
