

TORPEDOES.

✓ 617

As in the last war, Germany makes more use of torpedoes than Britain or France ~~because~~ the torpedo is particularly suited to Germany's particular kind of fighting, ~~which is against~~ ~~the~~ ~~submarine~~. But factories in Britain are busy turning out that same weapon for use by the Royal Navy ~~and~~ ~~it~~ ~~is~~ ~~not~~ ~~the~~ ~~same~~ ~~thing~~ ~~it~~ ~~is~~, even when it ~~is~~ ~~being~~ ~~used~~ ~~as~~ ~~a~~ ~~sub~~ ~~marine~~ ~~torpedo~~.

We can't tell you where this factory is, but if you happen to call one day, stand well back after you ring the bell.
