

R.A.F. BOMBING.

Training goes on apace up and down the country. Gaumont-British News cameras visited a R.A.F. depot where pupils receive instruction on bombing. Here indoors the airmen of the future learn all about the intricate ~~mechanism of the~~ apparatus used for bombing the enemy, before they go out and do the real thing.

KING AND QUEEN INSPECT CANTEEN.

The King and ~~Queen~~ Queen, ~~accompanied by their favourite dog,~~ made an inspection in the grounds of Buckingham Palace, of the first ~~antiaircraft~~ Y.M.C.A. Mobile Canteen for service overseas. Three more such canteens will be built and sent over to France for the comfort of our troops. *This majestic far out*

~~EXRNERIAS~~
CARNERA'S SON.

Dogs seem ~~to~~ interested in our visit
Brimo Carnera, former heavyweight champion, has been presented with a son. ~~and here~~ Here is little Carnera having his first bath, and he ~~doesn't~~ seem to like it at all. He ought to be thoroughly happy, with all that fussing ~~and~~ going on. *His name is Umberto*

~~NEWXXXXXXXXXX~~
SYDNEY TOWER.

~~Here is a picture of Sydney, New South Wales, taken from a tower nearly 400 ft high. The wonderful harbour, the gem of the Commonwealth, famous the world over for its beauty, lies far away below the eye of the camera, supreme in its lovely setting.~~
