

SKY WEDDING.

It used to happen in America, but now Australia too has a crazy wedding. ~~X~~ Bride and bridegroom went up in a plane with the parson and the ceremony was performed while they flew through the clouds. Let's hope that <sup>later on</sup> ~~when they've tasted the joys of married life,~~ they won't come down to earth with a bump.

X The Ceremony did not take place in the usual way. Bridesmaids arrived on an aerodrome, ~~was,~~ for a real wedding in the sky.
