TYNESIDE SCOTTISH.

They're the Tyneside Scottish. In the last war over 4,000 men joined this regiment by special recruitment alone --- and they made a great name for themselves as a tough proposition. In this war they're just as tough, but they have their lighter moments. So if you've ever wanted to do a sword dance, here's your chance.

KERMIT ROOSEVELT.

British volunteers for Finland had a democratic chat with Colonel Kermit Roosevelt before leaving to join in the war in the north. The Colonel is a relative of President Roosevelt; he has been placed in command of the British force in the international Brigade.

ST DAVID'S DAY

St David's Day in France. It's a big day for the Royal Welch Fusiliers and especially the goat. After grooming he marches proudly past the villagers to take his place on parade. ~~the goat~~
