

AQUACADE.

-----  
One after another they go into the pool- for the swimming gala at the New York's World Fair. Watch this superb fantasy of elegance and rhythm . Discipline is the keynote to success and the ballet in the water has perfect precision of

movement. Everything is in splashing harmony, and this pattern is a model of symmetry and loveliness. *Answers for the diving*  
~~A shimmering veil of~~

~~water broken by the enchanting poetry of motion. Have a look~~

at this in slow motion / This guy can't make up his mind whether he's skipping or diving- So he does both- ~~knockout~~

~~Look out, this won't do, you know. Put them on again. That's better.~~
