H.M.S. ILLUSTRIOUS, ETC.

One of Britain's newest aircraft carriers survived a seven-hour attack by Nazi bombers in the Mediterranean..... ~~was able to make port under her own power~~.... H.M.S. Illustrious. At least twelve of the Nazis were shot down during the action. And on the same day in the same waters a cruiser was sinking one Italian destroyer and damaging another. The Royal Air Force also took revenge by smashing over 30 bombers at Catania. In the sea action the British cruiser Southampton was so badly damaged that she had to be abandoned and sunk -- but here at home is another cruiser being launched in place of the one lost. Nearly all Southampton's crew were saved, so on balance ~~Britain's~~ ~~loss~~ the loss to the Fleet is more than compensated.
