

KING HAAKON.

Somewhere in Britain --- King Haakon of Norway is continuing the fight against the Nazi who overran his country last April. He is inspecting Norwegian sailors --- and also British and Belgian naval men at the same station.

GERMAN PRISONERS.

More prisoners of war in Britain. Two Nazis captured after being wounded have come to spend the rest of the war in ^{our} custody ~~of Britain~~ --- where they can't do any more harm.

MR CHURCHILL.

A new picture of ~~Mr. Chamberlain~~ the Prime Minister enables us to pass on the latest piece of Nazi propoganda. They said recently --- "As soon as Churchill/^{had}~~appeared~~ made his appearance he was surrounded by a dense crowd who received him with boos, whistling and cries of "Down with this butcher."
