

KING PETER.

(2)

Another refugee King has come to Britain; the Duke of Kent welcomed the young King Peter of Yugo-Slavia and the Premier, General Simovitch, who escaped when the German hordes invaded the Balkan States. To-day, Yugo-Slavia is out of the fight; but a to-morrow will come for all these conquered races --- and it will dawn blood-red for Nazi Germany.

NEGUS REVIEWS HIS TROOPS.

Haile Selassie is back on the throne of Ethippia; this was the march past of his warriors who remained ~~loyal~~ loyal through the Italian occupation; we may be inclined to smile at their antics, but they claim our respect as men who fought for freedom --- and won it. Out of ^{their} sorrow has come a new hope; youth can look forward to manhood without fear.
