BABY SHOW AND SHOE DISPLAY.

Up in Glasgow, it's baby's day out,-- in other words baby is on parade. They are ~~all~~ on their best behaviour.

Of course they are, because they <sup>all</sup> want to carry off the first prize. ~~It's not unlike a cattle show, only cattle don't dribble and are quieter.~~ ~~Still~~ these infants are lovely, don't you ~~think~~ think? Their ages range from 6 months to 2 years old.

Yes, baby is on parade, ~~xx~~ and the judges may wonder what my lord baby really thinks of all this -- Not very much, perhaps, -- still Mother has loved to show off her offspring, and so we'll leave it at that.

And here are the latest fashions in footwear. Shoes to suit everyones taste-- Elegant designs to suit everyones pocket-- Economy in materials Miss I94I's summer fashion note.
