

THE RANEE SPEAKS OF SARAWAK.

Mr. Sumner.

At a lunch at the Overseas Club, the principal speaker was ~~the Ranee of Sarawak~~ ^{Lady Brooke} --- whose husband is ^{Sir Charles} Brooke, the white Rajah.

For a hundred years this pleasant land had been an independent state with an Englishman as its ruler. Now it has fallen before the onrush of Japanese aggression in the Pacific. We recall these pictures that were taken at the recent centenary; ~~at which the White Rajah freely gave the people their right of Government under a Constitution.~~

~~The Country~~
Sarawak to-day is in the shadow of Far Eastern tyranny; her freedom will return only when the Axis power is broken.
