CHINESE AIR CADETS.

Chinese Pilots, training in America. This is the fifth year of China's ~~fight~~ ^{war} against Japan, but to-day she is fighting back harder than ever. Shortage of planes and pilots has left the China skies wide open ~~for Japan~~ --- but that's a disadvantage that is receiving attention.

This is a take-off in Arizona --- training for battle in the Far East.

PHYSICAL FITNESS CLASS.

There's no doubt about it --- American women are taking life seriously. They know that a united war effort demands perfect health, and perfect health demands perfect fitness. So Uncle Sam's daughters are utterly determined to become perfectly fit even if they split a seam.

ARTHUR ASKEY'S HOSPITAL BED.

Big-hearted Arthur Askey's the Big Bug of the Cheeribugs; and so he unveils the bed which Cheeribugs have presented to ~~the~~ ^{this} hospital. As they made him a Life-Governor he insisted on testing the bed.
