

Investiture at Buckingham Palace

2140

6th July 54

Buckingham Palace: Among recipients at the first Investiture, held by the Queen since her Commonwealth Tour, was Fusilier Derek Kinne. He was awarded the George Cross for his gallant conduct in Korean prison-camps... despite long months of privation and torture.

And for services to journalism, Canadian-born Beverley Baxter. M.P. received the accolade of <sup>Knight</sup> ~~Victoria Bachelor~~.

A poignant moment as little seven year-old orphan, Susan Curtis left, holding a Victoria Cross - which the Queen had given her in private.... It was awarded posthumously to Susan's Father <sup>Lieut Philip Curtis -</sup> for gallantry in Korea.
