## Austria - speed boat record

Austria: At Poertschach, famous German speed-boat ace, Christoph von Meyenburg takes/his new craft, "Mathea VII" est - for an attempt on the world record for motor boats in the 800 k.g. class ...

(which the speed king designed himself) touches And at top speed, the the water in only three places ....

Speeding round the specially prepared course, the attempt was successful. Von Meyenburg set up a new record - with an average speed of just over 762 miles an hour ENO.

## Swanses to Mumbles Railway

South Wales: In a pageant of railway history, the famous horse-drawn "train" of the Swanses and Mumbles line - returns to the "iron road" celebrating the Company's 150 years of pioneer travel.

In those early days, sugar, not coal, kept the train going The railway opened in 1804 - and seventy-three years later, came steam traction - the Victorian family outings - and those "Oh, so polite" railway officials ...

It's mon interesting to recall that as many as eighteen hundred passengers were carried "on" one train - a record for those days ...
