

At Stanley Park - it's Roll Up! Roll Up! for the Blackpool Show of Shows - the Annual Variety Artists Garden Party...

First, a bouquet for the Lady Mayoress - and then - it's on with the Show. Everyone that's now appearing in Blackpool is on the bill - except the summer. You'd think it was ~~smoking~~ ^{working} at the Winter Garden!

Let's join Professor Jimmy Edwards and the Lord and Lady Mayoress on a Grand Tour - keeping an eye open for Lobby Lud...

Queue here for autographs - Jack Warner will oblige.

And there's the man whose motto is "there's no smoke without the holder" - No! It's not Lobby Lud in disguise; but Terry Thomas in a little inspired clowning.

Terry's just learned the truth about smoking - so he's inhaling his cigarette-holder!..

But here's one happy holidaymaker who has seen a profit - he had captured Lobby Lud and a £15 jack-pot. ~~A grand day for all - thanks to the stars who've spent their stage time in a worthy cause...~~
