

Kenya: Before leaving for home, the First Battalion, the East Kent Regiment, ~~was granted permission to march through the streets of Nairobi in a farewell parade - as a reward~~ <sup>for</sup> their nineteen months of service, during the emergency.

At the Town Hall, the Mayor and the visiting Bishop of Croydon took the salute - honouring the men, who, during difficult times, have lived up to the high traditions of "The Buffs!"

South Korean manoeuvres

South Korea: With the scaling down of United Nations' troops on the Peninsula, local reservists (many with hard battle experience) are undergoing refresher-courses to keep the country's defence forces at concert pitch. ~~and~~ Here's an artillery battalion showing the range of ~~xxxx~~ <sup>its</sup> ~~their~~ efficiency.
