

demonstrates the age-old hospitality of Berber tribes.

Morocco: Arriving to open the new dam of the Minister of Tunisian and Moroccan Affairs, first attends a ceremony which

The new dam (which is over 350 feet high) creates an artificial lake that will be used for the irrigation of neighbouring plains. A generating station, too, will provide local power.

Ministriel that of progress that fired the local tribesmen with an iniskriptuisit of progress that

Wood Memorial

New York: All eyes on the starting gate, and, away they go - a select field of five - in the nine furlong Wood Memorial - one of the principal trials for the Kentucky Derby.

But in the streight - it's a two-horse race...with Summer Tan leading, and
Yard by yard Nassau in hot pursuit. Inchairment, Nassau overhauls the leader

A fourth successive triumph for Nassau - so

look out Kentucky
