Revolt in Argentina--

Sept 27th. '55.

Argentina--- Following the downfall of General Peron- forced by rebellion to relinquish the Presidency after eleven years in office- a confused situation arose in ~~Buenos~~ Buenos Aires.

~~The~~ Main cause of ~~the~~ ^{the} confusion was trouble over peace negotiations between the military junta (which assumed power), and the rebel leaders.
 ~~An~~ ^{An atmosphere of} uneasy truce brooded over the city, as the rebels demanded unconditional surrender, and renewed their threats to bombard the capital.
 But with the inauguration of a provisional President- General Lonardi- Argentina looks forward , after days of tense uncertainty, to a more settled future.
