

Harwell: In his official capacity as Soviet Minister of Power Stations, Mr Malenkov made a ~~three-day~~ visit to the Atomic Energy Research Establishment.

Strict security was enforced, and, according to reports, the Minister made the tour ~~usually~~ reserved for distinguished visitors, ~~and that~~ ^{- including} included a top-level view...

Following the Harwell visit, Mr Malenkov accepted an invitation to visit Sir Anthony Eden at No. 10, and so we get these unique pictures of a Soviet Deputy Premier in Downing Street.

~~The meeting lasted twenty minutes and now comes news that~~ Sir Anthony is ^{COMING SPRING} to reopen talks with the Russian leaders - during their visit to Britain ~~next month.~~
