Fashions-

Aug 28th. '56.

^{Just for a moment}
Paris-- Let's forget the ~~wigors of this~~ ^{abiltand} summer, and bask in the warmth of Jacques Fath's latest autumn and winter fashions.

^{are featured -}
~~Smart~~ ^{with} ~~outrit,~~ ^{And} ~~Astrakan-~~ mink collars and cuffs-
while chic capes, ~~perhaps~~ perhaps, take the place of coats.

~~These~~

~~cocktail party-~~ A prune-coloured suit- on the left- ~~or~~ ^{ONE}
- in beige- with ^{A MUFF} ~~adding~~ that extra touch of ^{HIGH FASHION} ~~plummy~~

Of course there's a lot to be said for the styles of those "good old-fashioned days"- the oft-despised creations of an earlier era

^{BUT}
~~And~~ it looks as if this season's evening wear may have borrowed a page from yesteryear.
