

Japan demonstrations

Tokyo: The ghastly memories of Hiroshima and Nagasaki have etched their scars upon the Japanese people. So the recent Soviet nuclear tests in Siberia and the coming British trials in the Pacific have become the subject of widespread demonstrations. 14/5

~~Breaking through the cordons, the frenzied marchers shouted their protest against nuclear tests to the Soviet and United States embassies....~~

Miles plane

Sussex: Another Miles aircraft is ready for flight - this time in the field of passenger and cargo transport.

6 A great moment for the Miles household - for this family concern went bankrupt after building some seven thousand planes, ~~for the R.A.F.~~

The new plane - an economic passenger liner or freighter - will be built in co-operation with a French firm. 17/5

Badminton

Badminton: The home of the Duke of Beaufort received a Royal Visitor - when the Queen came to watch the annual Horse Trials - following her West Midland tour.

7 While the opening day was confined to dressage tests - there was also a varied programme in the jumping arena...
