N.A.T.O. Conference

Chief item of European news centres around Bad Godesberg, Town Hall, near Bonn, in Western Germany. There, Dr. Adenauer, the Federal German Chancellor, opened the North Atlantic Treaty Organisation Council Meeting. Chief topic of discussion, by the Treaty Nations, was European security - while Britain's proposed Defence-cuts ~~were referred to~~ *were referred to* by Mr Selwyn Lloyd and Mr Dulles.

New Portsmouth C-in-C

At home - Admiral Sir Guy Grantham officially took up his duties as ~~Commander~~ *Commander*-in-Chief, Portsmouth. By custom, he was escorted into Nelson's famous flagship, "~~the~~" "Victory" by the retiring C.in-C., Admiral of the Fleet, Sir George Creasy.

In recognition of Admiral Grantham's long and distinguished career in submarines - his flag will be flown from the submarine "Aeneas" - a unique departure from Naval tradition.

Malaya operations

~~The~~ *FINALLY -* we pay tribute to ~~xxxxxxx~~ No. 267 Squadron, R.A.F. flying "Pioneer" aircraft over the Malayan jungles. They're doing a dangerous ~~and difficult~~ job that ~~was~~ rarely hits the headlines.

Carrying infantry patrols to wage the perpetual war against Communist terrorists is but one of ~~this Pioneer Squadron's~~ <sup>their</sup> many duties.

They carry doctors to lonely jungle ~~tribes~~ <sup>tribes,</sup> and become flying ambulances when hospital treatment is needed.

Able to land or take-off almost on a sixpence - the "Pioneer" ~~valuable job is the supplying of jungle~~

*is an invaluable asset in the jungles of Malaya.*
