News highlights

Portsmouth: Filing past Nelson's famous flagship "Victory" - a ship's company symbolises the march of modern Naval progress. These are the men who will man H.M.S. Victorious: the most modern aircraft carrier in the world, following seven years of reconstruction. Later, the ship's company filled the vast hangar when the Chaplain of the Fleet conducted the traditional formulationing Ceremony. After her sea trials, "Victorious" will join the Home Fleet.

McLaglen Arrives

London: Film Star Stanley Baker welcomes that lovable Hollywood tough guy Victor MoLaglen - Wow Visiting ORITAIN.

Sound. Sound.

Royal Portrait

Visiting an art gallery in Bond Street, the Newsreel Camera captures those first impressions as As you've probably guessed - it's the picture of Princess Margaret by

then the take the take the taket

RIGTWRE

Annigoni, the Italian artist... Like his earlier and portraits of the CANVAS Queen and Prince Philip, the cases seems fated to arouse much

controversy.

An early visitor to the gallery was Georgina Moore - the model H.R.H. - who "stood-in" for the Princess. Chanicadore de Santa Constant of the Princess. SME DESCRIBED IT AS "A BEAUTIFUL
