Spring may be in the air: but the world of fashion is two seasons ahead, planning your Autumn wardrobe. London's first Autumn Show was held by couturier Frederick Starke, and the designer himself was behind the scenes for ~~the~~ finishing touches.

Mohair cloth will lend ~~that~~ extra warmth and comfort for chilly Autumn days. Here, Joan and Hedda show how it can be used for chemise-line day dresses, in turquoise and lilac shades.

Mohair again for Peta's suit. Note the latest fashion-style. The caved-in front and crescent back.

~~Another suit with another suit~~ an unusual back. The fashion term is "slouched". The three-quarter length coat is ~~is~~ worn over a tube skirt. The suit, ~~is made from~~ is made from real llama wool.

For evening wear, shimmers are all the rage. Remember how you laughed at Mother's old-fashioned dresses. Well, they're ^{NOW} new fashion!!

But fashion contrasts aren't just confined to ~~pretty girls~~ in lovely clothes. A furniture manufacturer showed his new collection by ritting the model to the chair. The chair on the left ^{AND THE SEATERS ARE OF THE '20's} ~~is a reminder of the days when~~ ^{THE RECENT 1958 - THE FASHION HASN'T ALTERED MUCH, HAS IT?} ~~was a~~

A leopard-skin chair... just the thing for the old cat. ^{Or a glamorous kitten.} ~~Or a glamorous kitten.~~ But when Tessie O'Shea drops it ^{can't} ~~it becomes a~~ ^{Such a small kitten.} ~~on a glamorous kitten. But sometimes seating capacity makes it a~~ battle of the bulge. ^{You'll never make it, Tessie.} ~~Hey! You'll never make it, Tessie!~~

Ah! That's better. One member of the family presented a problem. There's nothing easy about fitting baby in an easy chair.

But Baby solved it the hard way...he brought his own ~~chair~~ chair. Some chairs have a double purpose. ~~Well fancy, all I use mine for is~~ watching television...

THEY COULDN'T SHARE

~~Tessie showed in they shared a chair in the 1920's.~~ So you see we have made progress! ~~That's why they call them the good old days.~~

But Tessie says "Anything you can do to is do better!"
