

This is Ann Noblett. She was seventeen when she disappeared.....

A month later her body was discovered in a thick wood near this isolated water-tower at Harpenden. She was strangled..<sup>and</sup>For six.. months the police have hunted for her killer.....

Now Ann's father has called in ex-Detective Inspector O'Sullivan and ex-Inspector Minter in the hope that they can help to bring her murderer to justice. They began their search at the bus stop near her home at Wheathampstead, where Ann was last seen alive...
