

Ever seen Father Christmas asleep? Well, I have
~~Now where is he? Ah, Gotcha! Seems a shame to wake poor old~~
~~Santa - he's earned that nap. But I went a present and with the kids~~
~~were away at the L.C.C. Carol Festival it's my only chance.(SOUND)~~
He was taking a nap while
singing carols at the *organised by the Herden County Council*

You can't miss it can you? What with carols and crackers and the
shops full of toys, ~~now you could fail to know~~ *it's pretty obvious* that Christmas is
coming. And for the kids ^{well} it's a wonderful ~~time~~. Special shows
in all the shop windows - And this year ~~had~~ ^{more} working toys *than ever*

Perhaps you couldn't buy it - but it's fun just to stand and watch
- 'All the fun of the Fair.' There are new things every year but
none of them means as much as a ~~secret~~ ^{private} word with Santa ~~....(SOUND)~~

Wide-eyed with wonder and full of hope that 'maybe Father
Christmas will bring me that', it's the ^{light of the} festive season, the *festive*
~~childrens season~~ ~~.....(SOUND)~~

of the child -
