**SALUTE THE SOLDIER WEEK OPENS IN LONDON.**

Greater London's SALUTE THE SOLDIER week opens with a flourish in Trafalgar Square. The new Savings Campaign is set in motion by Field Marshal Sir Alan Brooke.

We travel now to another fine display held in Hyde Park, where massed Canadian Military Bands, 170 strong, march and counter-march before an audience of thousands.

Also part of the nation's SALUTE TO THE SOLDIER is the parade before the King, the Queen and Princess Elizabeth outside Buckingham Palace. Five thousand service men and women in one of London's greatest days of military pageantry.
