That's right, take a line. An urgent call is coming up.....At last he has managed to get through to tell farmer John that the tractor he was so urgently wanting will be ready tomorrow. That was worth while. There are thousands of important calls, between battle front and battle front, between squadron and squadron, supply depots, war factories, everywhere the telephone is a vital link. So next time before picking up that receiver, remember the telephone is a weapon of war and think twice before you make a trunk call.
