DETAILS

MOSCOW PARADE.

1. Overheads of the huge parade in the Red Square with large portraits of Lenin and Stalin overlooking.
2. CU of the Red Star with flags in background.
3. CU Stalin and Budenny saluting the march past.
4. LS Kremlin with troops and vehicles in the Square.
5. CU Russian troops marching.
6. MS Stalin with other generals gazing skywards.
7. Brief close shot of the Kremlin. Aircraft fly overhead.

DEFENCE BY FIRE.

8. This film deals with the various methods used by the Petroleum Warfare Board to prevent the German invasion on the British Isles. Shots are mainly huge fires on the sea coasts of Great Britain, with huge palls of black smoke. The 'Fougasse', an innocent looking tar barrel filled with petrol. \*Anti aircraft flame throwers. Final shot shows a quiet beach scene with small waves breaking gently on a beach.
