YES, WE HAVE SOME BANANAS!

It began last October with a crop of preliminary posters. Now, the bananas are here - in person - and at Avonmouth Docks they're welcomed by Bristol's Lord Mayor.

SPEECH

A Committee of Banana-tasters make a dockside test.

This first shipment, of five million, goes to children under 18 living in South-West England. For the not-so-lucky parts of the country there's news that other boats are on the way. It won't be long now before we can all say, "Have a banana."
