EQUAL PAY FOR WOMEN

British industry today employs more women than ever before in a country at peace. For them, controversy rages round their claims for equal pay for equal work. A Royal Commission recently studied the question but came to no decision. *Fathe News* invites you to join the battle, with this opinion poll. Leading off is a member of the Commission, Dame Anne Laughlin.

Next for questioning, window cleaner Fred Read.

SOUND

And wading in with strong views, Dr. G. E. H. Joad.
