ENGLAND V. U.S.A. ICE HOCKEY

Harringay arena stages the first of a new series of England-America ice hockey tests. Result - an inconclusive 6 all draw. A thrilling game, and at first, the fast American boys gave us a lesson in speed, stick and positional play.

This is America's Perley Grant in a spectacular run for goal.

And here's another American goal; scorer, this time, Bob Verrier.

But the English twelve soon hit back and levelled the score.

Top name of the England team was Johnny Orley. With the score 6-5 in America's favour and 35 seconds left to play, Orley - with England skipper, Jimmy Chappell - scored and saved the game.
