East Sussex Police

And now for a break we take a look at the East Sussex police on their night out. Round the ports of Lewes they run a dance with a difference. Under the inspector's eye is Max Miller, comedian and policeman's headache, there to get the party going. A special feature of the ball were the models of other troublesome guests the police have handled in the past. Here's George Joseph Smith, the brides-in-the-bath murderer. The sight of this amiable gentleman brings out the Sherlock in Max.

With a couple of squibs for company, Dr. Crippen looks on.

And here's Sweeney Todd the demon barber.
