After Diana Morrisons last word. just prior Sc3

Several thousand prospective buyers at the Southern Counties Cat Club Show were given the same answer as Diana Morrison.. "Only to look at ", ..for, with or without a rabbits foot to bring them luck, British pedigree cats are in the money.

CU Little girl looking at cat Sc7.

For first class kittens reared in Britain, Americans bid up to twenty pounds for even this rare Abyssinian cat thrives better here than in its own country.

Whether this can be attributed to the improvement in the catsmeat quality since restaurants took to serving it, only the judges could say. and this one has his hands too full to talk to us about it. (UP)
