SHOT LIST

- SV. Clement Davies sitting in front of fireplace set in Studio, speaks:
[We are equally opposed to both the Socialists and the Conservatives. We do not support the Socialist aim, which is to nationalise everything. On the other hand we wish to check the monopolies and break the price ring which flourished under the Tories.] 37 ft.
- SCU. [The Liberal Party enters this election far stronger than it has been for over twenty years. We shall have 400 Liberal candidates in the field and if you want the Liberal life of this country to continue, that is social reform without Socialism, profit sharing for workers in industry, income tax reform, sound administration and bold tackling of our economic problems, a wide-world expansion of our trade, no more wasteful expenditure on peacetime conscription, and above all, absolute respect for the liberty of the individual, then you will want a Liberal Government, and if you want a Liberal Government, you will vote for the Liberal candidate on 23rd February next.] 106 ft.
- CU. "If you want these, then you want a Liberal Government. If you want a Liberal Government, you can have one this time by voting for your Liberal candidate on the 23rd Feb. next. So we Liberals march on, wavering not to the right nor to the left but marching forward." 46 ft.
- Retake same scene "If you want these, then you want a Liberal Government. If you want a Liberal Government, you can have one this time by voting for the Liberal candidate on the 23rd Feb, next. So we Liberals march on wavering neither to the right nor to the left, marching forward." 50 ft.
- Silent C.U. on end of this take.
- SCU. [The British mode of life is a liberal way of life and I believe that the British people are Liberals at heart and in thought. Every day I hear from people who are sick and tired of the Socialist government and of the Tories. They are fed up with class warfare and extremist either of the right or of the left. They want a new approach, they want a national approach and the Liberal Party can give it to them.] 57 ft.
- Silent tracking shot of Clement Davies sitting on chair in front of fireplace set, silent. 30 ft.
