S H O T L I S T

I. S.C.U. General Maxwell Taylor, ^{US} Berlin commandant,
C.U. seated at desk speaking.
'There is no blinking at the fact that the Communists are determined eventually to take over all Berlin and absorb it into their new puppet state, but we shall match and beat them in determination. No-one is going to take over Berlin on the 28th. May or any day before or after. When all the dust and shouting settles we shall still be in Berlin with our allies.'
