2. M.S. Turpin shaking hands with personalities. (2 shots) 14
3. C.U. Turpin speaking into mike. :- "Well, to my people back & M.S. home, and all the ~~people~~ British people, I'd like you to know that I did my best, but it seems that this time I just wasn't good enough. When the referee stopped the fight last night I know what I was doing, and I knew that I'd been down for a count of seven, it was a surprize really but it's no good arguing with the referee 'cos his decision is final. I'M very sad that I shan't be taking the middleweight championship of the World back to England with me, but when I go back I shall be taking back something greater than the championship of the World, for I shall be taking with me the good wishes of thousands of the American people who were at that show last night, and the people that I met while I was over there." 63
4. M.S. Sugar Ray Robinson :-> "As a fighter, Turpin is about one of the best I've ever met. As a gentleman, he's ~~surely~~ ~~the most~~ a wonderful fella, to those who haven't had the pleasure of knowing him, Randy is the most regular guy anyone could wish to meet, I only hope that he has as an enjoyable time in America and New York, as I had whaen I was in England, and I would love to have an opportunity to show him around here in New York City." 46
