VARIETY CLUB OF MIDNIGHT MATINEE

Can you arrange for a cameraman to be at Heath Row at 7.30a.m. on Saturday, December 8th to film the arrival of stars for this charity show?

They will arrive on flight 970 and the T.W.A. plane is "Star of Edinburgh." The stars are Ava Gardner, Frank Sinatra and Dorothy Kintan.

I presume that arrangements will be made with Gaumont- as Royal rota Company to film the Royal reception at the actual show.
