

MANCHESTER CITY v. WOLVERHAMPTON

Wolverhampton - dark jerseys - kick off at Mains Road against Manchester City and on recent form it looks like the needle match of the round. But Wolves are off with a speed that surprises the City defence and it's beginning to look dangerous. A pass to Mullen and here's a lovely Mullen-Broadbent-Pye move building up. Back comes the centre but it's intercepted, and cleared up-field. Now it's Manchester. There's a bit of a scramble. Revie collects, runs forward and shoots. It's in the net - but the Ref. rules 'No goal.'

After eight minutes (Wolves attacking) over comes a pass to Broadbent ... and he makes no mistake. Wolves one, City nil.

The City fight back. Meadows passes inside and here's a nice move. But the ball is intercepted and cleared.

Back come the Wolves. A perfect centre from Hancock - and Whitfield scores number two for the Wolves.

City haven't found their form yet. Wolves are nippy and they're getting through too often. But now it's City's turn. Here comes Meadows. He shoots - and City have scored.

Resuming one down after half-time, City begin to play more up to form. They badly need an equaliser.

Now Wolves find getting through's not so easy and the game turns into a ding-dong battle.

Now City are piling on the pressure. A penalty is awarded against Wolves. Revie scores and the game ends two all.
