MOTORCYCLE RACE IN SAN REMO

The 6th Motorcycle San Remo Trophy, run of Sunday April 20th. on the Ospedaletti Autodrome.

~~THESE ARE THE RESULTS OF THE RACE~~

The course runs along the bending mountain side.

The race for the 250 class has been won by the Italian Ruffo. (N. 4)

The fastest tour has been performed by Lorenzetti (N. 7) at the average speed of 95 km.

The race for the 500 class has been won by the British DUKE (N. 20), the world champion.

After the start Valducci is leading.

During the third tour Duke takes the lead ahead of Pagani (N. 1)

But the world's champion is not to be passed.

Duke arrived in San Remo by air on the same morning of the race, and his flight continued on the serpentine course of the autodrome, at more than 100 km. p.h.

The fastest tour was performed by Borsari who was compelled to retire owing to a fall.

Here is Duke smiling on his victory in a bunch of Riviera's flowers.
