TYPHOON AND OPERATIONS IN INDOCHINA

Army Pictorial Service material serviced to all competition
Positive developed : 72 meters - 240 ft

A terrible typhoon has just hit the Indochinese country
in the surroundings of Saigon and still strikes Siem Reap

Picture shows in Saigon : trees lying on the roads
traffic is interrupted and difficult
people trying to recuperate wood from the wreckage
troops helping in clearing the wreckage
army trucks at work,
cars and trucks which were crashed by falling trees
