

Miss Hummel

A welcome new-comer to the famous Hamburg Zoo of Hagenbeck was Miss Hummel - the ice-bear baby. The little savage will soon be the favourite of Hamburgians and many foreign visitors. For the time being she does not like being handled - even by Fran Hagenbeck Junior. After 6 weeks in darkness this is her first day in the light and she resents it. But what little girl likes the nursery procedures of brushing, combing and being powdered?
